

# TALK ON TRANSGENDER ISSUES

LOCAL AUTHOR TERRI COOK PRESENTS ON HER BOOK

## “ALLIES & ANGELS”

Presentation and Discussion • Monday, April 7 • 11:10 am – 12:20 pm • Mawhinney 345

Book Signing • 3 – 5 pm • Campus Bookstore, Whitney

Terri Cook had a life-changing experience. For 15 years she believed she was raising a daughter. However, her child, who she now knows is her son, is transgender.

Terri will share her family's journey through fear, uncertainty, and heartbreak to understanding, acceptance, and joy. She and her husband supported their teenage son's transition from female to male.

No matter who you are or how you identify, this presentation will inspire and challenge you to see all people differently and embrace your role — on campus and in the world — *as an ally*.
