

# CAN WE TALK?

## LGBT HEALTH WORKSHOP

Wednesday, June 4<sup>th</sup>

5:30 - 8:30 p.m. with dinner provided

Trillium Health

259 Monroe Avenue, Rochester, NY 14607

## About the Workshop

- “Fishbowl Exercise”: Two concentric circles of chairs where health care providers and patients share experiences and challenges that both groups often encounter
- Purpose is to understand each side of LGBT health (caring for LGBT patients/ coming out to your physician)

## Goals of the Workshop

- Create welcoming and affirming health care practices for LGBT individuals in order to reduce health care disparities in the LGBT community
- Increase understanding, comfort, and confidence talking about LGBT issues
- Appreciate the value in talking with non-LGBT individuals about LGBT issues
- Learn how to take a leadership role in these conversations
- Understand the issues that LGBT individuals deal with every day that non-LGBT individuals take for granted
